Set in the middle of a private lake and surrounded by eighty acres of land and abundant wildlife, this architectural marvel was originally a hunting lodge made by the royal family of Salumber & Parsoli. It was then bought over by late Maharaj Nahar Singh ji of Ralavata and developed by his son Raja Jitendra Singh Rathore of Ralavata into a magnificent palace. The Resort is surrounded by the Aravalli Hills and a dense forest. The lush landscape and the stunning backdrop of the lake makes the hotel one of the best locations for weddings in Rajasthan
