WHERE THE JUNGLE LIVES BY ITS OWN LAW

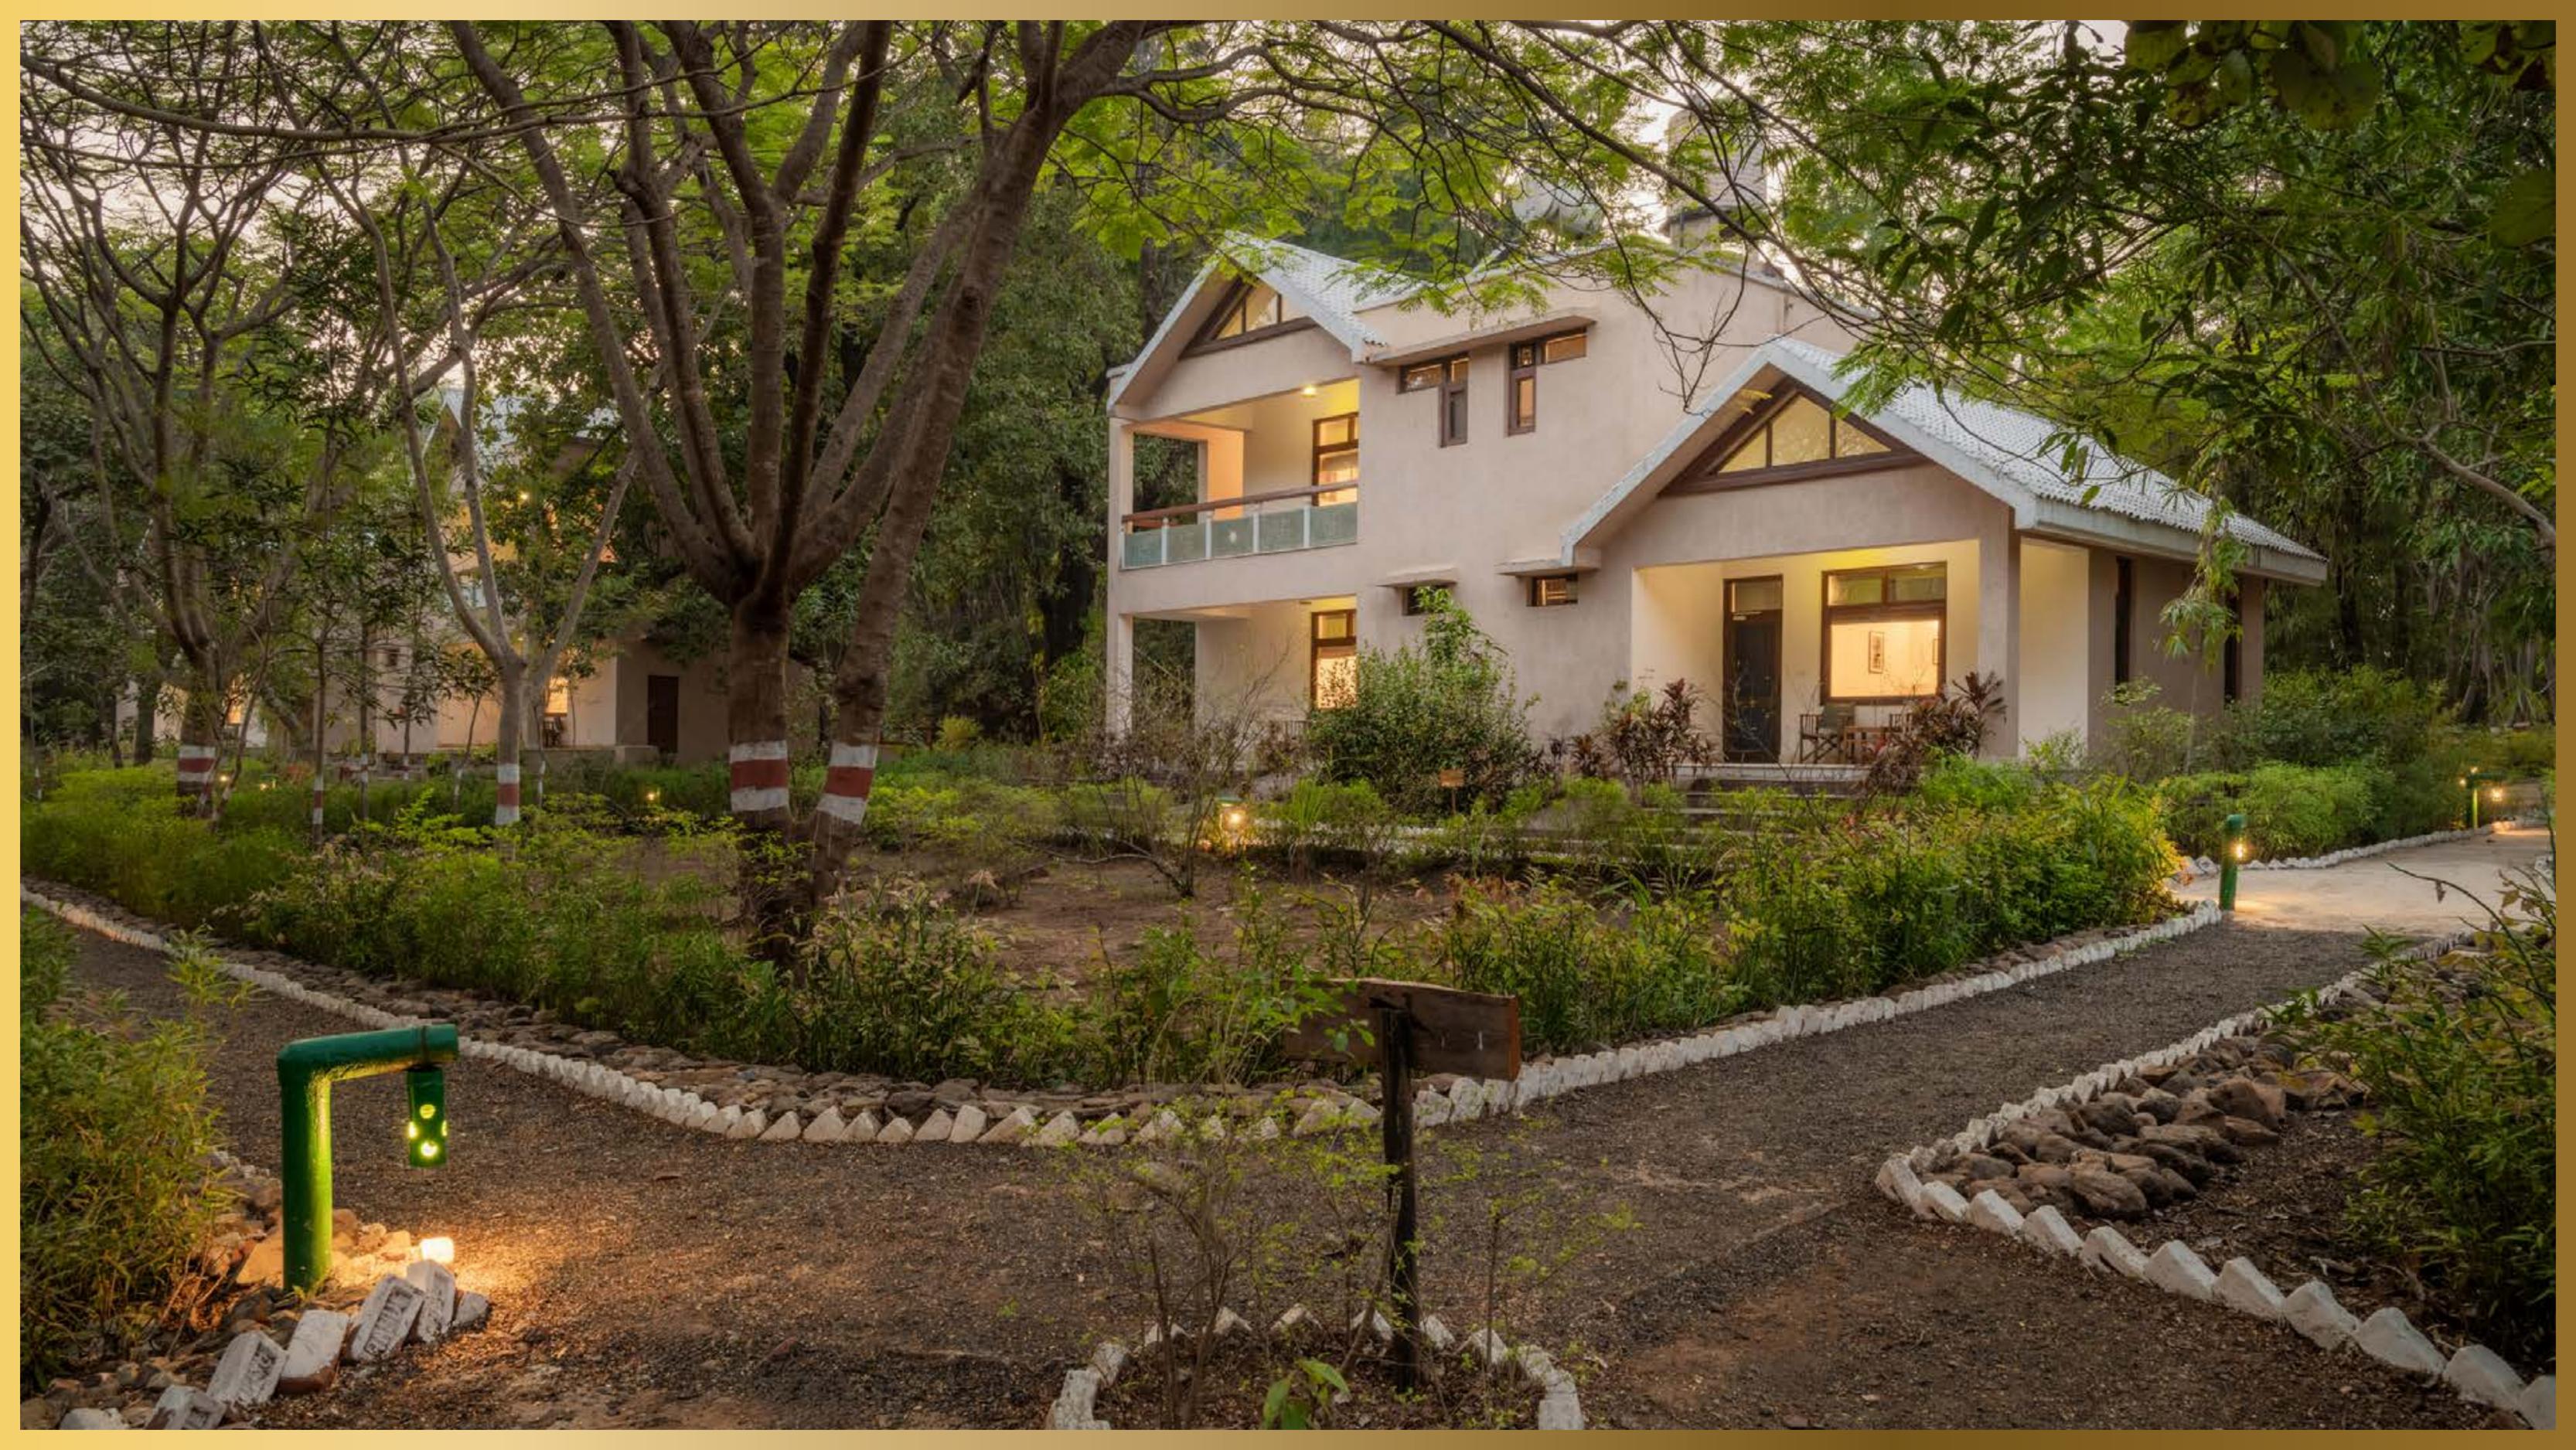

JÜSTA THE BAGH KANHA

5 Star Luxury Hotel & Resort in Kanha

Set across 23 acres of forested land, jüSTa The Bagh Kanha feels open, calm, and deeply connected to nature. Tall sal trees, wide green spaces, and quiet walking trails define the property. Days here move slowly. You can take a relaxed nature walk, spend time bird watching, or simply unwind by the swimming pool surrounded by jungle sounds. It's a large, low density resort where silence, space, and greenery come together, making it easy to disconnect and settle into the rhythm of the forest.

Staying here is also about experiencing Kanha at its most authentic. Located close to the Mukki Gate of Kanha Tiger Reserve, the resort is an ideal base for early morning and afternoon safaris. Safari drives reveal vast meadows, dense forests, and the chance to spot tigers, barasingha, and rich birdlife. Evenings are unhurried, spent under starlit skies, sharing stories, or simply soaking in the stillness that makes Kanha one of India's most unforgettable wildlife destinations.
