JÜSTA BIRDING RESORT & SPA

5 Star Luxury Hotel & Resort in Dharamshala

The serene hills of Dharamshala are hiding a beautiful secret that will take your breath away, and the magical snow-capped Dhauladhar peaks lend the experience even more mystery when you look from afar. Experience the breathtaking ambience of jüSTa Birding Resort & Spa. Our meticulously crafted rooms and suites are fitted with so many facilities such as a private balcony, a heated swimming pool and a spa. Complement your experience with delectable cuisine in the resort pizzeria.

Our resort is set in a place which is a more enticing and welcoming space than what meets the eye. Adjacent to the much-revered Indrunag Temple, you can immerse in the teachings of the Dalai Lama, whose aura has left a trailblazing impact all over the world; but even more so in Dharamshala - Dalai Lama's place of residence. The good energy of spiritual solace is felt all around the resort in the morning and evening. Spend your evenings, noshing on the food at Sabor, where the dishes have their own heritage and flavour inspired from the local region.

Our most incredible selling feature is that we serve as the gateway to adventure, as, at a mere distance of 100 meters, a paragliding point can be located that provides all the thrill one can ask for! The strongest characteristic of this charming resort is its location, where rare kinds of flora and avian species grace the surroundings and give a chance for guests to take in the magic!

The image shows the interior of a restaurant with a rustic yet modern design. Large windows on the left offer a panoramic view of a mountain range with snow-capped peaks. The room features stone walls, wooden beams, and patterned tile floors. Dining tables are set with orange chairs and green leather booths. Large black pendant lights hang from the ceiling.
